

# LVN PROGRAM 2024-2025

INTERNATIONAL HEALTH GROUP/  
DALRADA CAREER INSTITUTE

## PROGRAM INFORMATION

Vocational nurses are a vital part of the healthcare industry, with a predicted growth of 25% in the next two years. Licensed vocational nurses administer medications, provide bedside care and treatments, and perform other technical nursing skills under the supervision of a physician or a registered nurse.

The objective of the International Health Group DBA Dalrada Career Institute is for the students of the program to acquire the skills and knowledge to work in various healthcare settings with confidence. Our graduates are prepared to provide direct patient care in acute, long-term care, and convalescent hospitals.

At Dalrada Career Institute, we are proud to have a dedicated team of nursing faculty who all are professionals in various areas of the nursing field and prepared to help you attain your goal.
